

DELIVERY NOTE

❖ Seeds, Accessories and Succulent Plants

Products marked with an "A" indicate that these items are "to follow" and will be delivered to you, free of charge, as soon as they are available again.

Products marked with a "D" (out of stock) or "F" (missed harvest) indicate that these items are unavailable and that a credit note will be sent to you shortly.

❖ Substitutions

When a product is not available, we replace it with a similar product, when possible.

** If you do not wish to receive substitute products, please indicate this visibly on your order.

DELIVERIES - Bulbs, Tubers and Strawberry Plant Plugs

Autumn Garlic = starting September 2021.

Bulbs and Tubers = as soon as the risk of frost has passed, end of April or early May, while quantities last.

Strawberry Plant Plugs = as soon as the risk of frost has passed, end of April or early May, while quantities last.

TAKE NOTE that on your customer account (internet) your order will indicate "DELIVERED", but note that items "A" (coming soon), "D" (out of stock) or "F" (missed harvest) are not included. Items "A", "D" or "F" will generate a new order number.
